Partners in Delivering Yummy

We're so excited about teaming up with the hottest, new spot in New Haven to offer Cohen's products! Cafe Romeo just opened its doors to the public this week and it's really worth checking out. Their space is fabulous and their menu offerings are mouth-watering. The best part? You can get your sandwich on our own, fresh-made breads or choose your favorite Cohen's bagel with Cohen's cream cheese! Order bagels by the bunch or pick-up your own fresh loaf of bread to enjoy at home. Visit them at 534 Orange Street, New Haven - 203.865.2233 - 7 am to 7 pm....yummy!

Also, watch for our arrival at the Route 79 Rotary in North Madison. Our friends at the North Madison Sunoco & Country Store will soon be featuring a Cohen's Express location! Call in your bagels by the dozen or just stop in for a delicious bagel with our own cream cheese, or the spread of your choice! Keep an eye out for signs announcing our arrival! You'll be able to check out this new express location at 1276 Durham Road, Madison - 203.421.3700.

Picture Perfect

Have you been to our Madison location lately? We have new pictures hanging and they look fabulous (if we do say so ourselves!). Amy Trahant of TakeAim Photography (860.669.9066) took the incredible photographs and then teamed up with Holly Browning of Love Your Home (203.687.7010) who finished off the aesthetic with amazing, handmade frames and fun wall graphics. If you haven't seen them, we're inviting you to stop in and tell us what you think!

Eco Addicts

We care a lot about our World and continue our efforts to go green! In addition to using many organic food products, Earth-kind cleansers, our Ecotainers and Greenware, we've finally found a terrific, biodegradable fit to replace harmful styrofoam. You'll now receive your bagels and sandwiches on eco-friendly plates or in our equally conscious to-go containers.

Pumpkin Cream Cheese

- 8 oz. of softened cream cheese
- 2 teaspoons brown sugar
- 1/2 cup of canned pumpkin
- 1/2 teaspoon pumpkin pie spice
